Public Notice No. PT 05-11

Notice of Request for Approval of A Municipal Pretreatment Program Modification

In accordance with the provisions of the Clean Water Act of 1977 and the National Pretreatment Program, the City of Paris has developed and submitted for approval by the Environmental and Public Protection Cabinet, Division of Water, a pretreatment program modification for its publicly owned treatment works (POTW). KEPPC, Division of Water, has made a preliminary determination that this pretreatment modification meets the requirements of 401 KAR 5:057, Section 6 and 40 CFR 403.

The modification will result in a local limits reevaluation which includes raising the limits of the following parameters: Total Chromium from 0.44 mg/l to 1.00 mg/l, Total Copper from 0.27 mg/l to 0.50 mg/l, Amenable Cyanide from 0.05 mg/l to 0.07 mg/l, Total Mercury from 0.0001 mg/l to 0.001 mg/l, Total Phenols from 0.15 mg/l to 0.42 mg/l, and Total Zinc from 1.07 mg/l to 3.0 mg/l. This reevaluation includes the removal of Sulfide, Sulfate and Color from the limited parameters. All other limits are more stringent or equal to the existing limits.

The POTW pretreatment modification is available for inspection and copying at the addresses listed below:

Commonwealth of Kentucky Antidegradation Statement

Antidegradation determinations have been made in regard to the permits referenced in this Public Notice. Any information concerning the foundation of the Division's position as to these determinations is addressed in the permits' Statement of Basis or Fact Sheets and all supporting documentation is available in the permit files maintained at the Division central office in Frankfort, Kentucky. Kentucky's antidegradation policy is found in Regulation 401 KAR 5:029, Section 1. Antidegradation policy implementation methodology is defined in Regulation 401 KAR 5:030. The primary purposes of these regulations is to safeguard the surface waters of the Commonwealth for their designated uses, to prevent the creation of any new pollution of these waters, and to abate any existing pollution.

GENERAL INFORMATION

The KPDES program issues permits for all treatment facilities which discharge, or propose to discharge, to waters of the Commonwealth which are classified for domestic water supply, for fish and aquatic life, and for recreation. Proposed KPDES permits are written to protect the classified uses of receiving waters and contain limitations on the amounts of pollutants to be discharged and other conditions. The proposed permits are drafted in accordance with applicable provisions of the Kentucky Revised Statutes and appropriate regulations. The permit conditions are tentative and open to comment from the public. Persons wishing to comment upon or object to the proposed action (permit issuance, modification or termination) or the proposed permit conditions are invited to submit comments to the Division at the following address: **Department for Environmental Protection, Division of Water, KPDES Branch, Frankfort Office Park, 14 Reilly Road, Frankfort, Kentucky 40601, Attention: Inventory & Data Management Section**. The comments must be received by the comment due date stated at the beginning of this notice. The applicant's name and KPDES number should be included in the comments.

Interested persons may also request that the Director of the Division hold a public hearing on any application. The request must be filed within the comment period and must indicate the interest of the party filing it and the reasons why a hearing is warranted. When there is public interest, the Director will hold a public hearing pursuant to 401 KAR 5:075, Section 7. After consideration of comments submitted during the comment period, the hearing record, if any, and the requirements of the Federal and State Acts and appropriate regulations, the Director of the Division will make a determination regarding final permit action.

Permit applications, draft permits, fact sheets or statements of basis, and additional information are available by contacting the Division of Water. Business hours are 8:00 a.m. to 4:30 p.m. Monday through Friday, except for holidays. A copy machine is available for public use at 10 cents per page. Three (3) days advance notice may be required for inspection of files. **Please bring the preceding to the attention of persons whom you know will be interested.**

The Environmental and Public Protection Cabinet does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities an equal opportunity to participate in all programs and activities.
